Amirreza Fadaeizadeh Bidari, Penetration Tester

Madrid, Spain, (+34) 666157810, reza.fadaei.rf@gmail.com/amirreza.fadaeizadeh@edu.uah.es

PROFILE

Programmer with a passion for cyber-security and penetration testing.

PROFESIONAL EXPERIENCE

Sep 2022 — Feb 2023

Independent team leader

Lead and taught a team of 5 programmers to work on public scopes. Our team discovered vulnerabilities in companies such as Fordav, SnapTeam, MTN group etc.

EDUCATION

Sep 2017 — May 2019

International Baccalaureate Diploma, United World College of Atlantic

Cardiff

Trained and acted as a Peer Listener to support colleagues from vastly different walks of life through mental health concerns and burn out.

Trained for seven months and served as a life guard for 45 shifts throughout the summer of 2018.

Scored a 37 out of 45 on my International Baccalaureate Diploma.

Sep 2021

Bachelor in Computer Engineering , University of Alcalá de Henares

Madrid

Currently a second year student.
